

A.D. Boggs Grant Program

Project Purpose: The A.D. Boggs Grant Program is designed to show students that agriculture is an integral part of our everyday environment and to support local 4-H and FFA chapters by offering them additional opportunities to participate in agriculturally related projects. Farms, wildlife, forestry, people and cities are all interrelated with agriculture. It is important for children to understand where their food and fiber comes from and build an appreciation for the agricultural industry.

Criteria:

- Project must directly involve students in a public or private elementary, middle or high school.
- Project should clearly provide innovative responses to education, awareness, promotion, and outreach in the agriculture community.
- Projects should promote youth development.
- Goals and objectives must be clearly stated and measurable, and the project must directly involve students/members.
- Must be willing to allow Oconee County Farm Bureau to photograph and/or video project for promotional purposes.
- Hands-on or virtual options will be accepted.

Application Process:

- Applicants may only submit one application per year.
- Proposals should include all requested information and principal must approve of project if being conducted in a school setting.
- Applications must be typed and submitted to Becky Donald via email (bdonald111@gmail.com)
- Oconee County Farm Bureau grant committee members will evaluate each application before grants are awarded.
- Applicants will be notified of winner selections by phone call or email.
- Oconee County Farm Bureau will award \$2000 in grant funding each year.
